Our Diamond Jubilee

Sixty years have come and gone,
Our Geelong group still dances on,
We may not dance so spritely,
But our hearts remember lightly.

Friends we’ve made on our dancing way,
Their memory with us will always stay,
Friends are diamonds when we tread a measure,
Scottish Country Dancing - Our greatest pleasure.

Music starts, feet are tapping, we rush to take the floor,
Favourite dances, newer dances and hundred dances more!

FOR AULD LANG SYNE!

JESSIE - GEELONG

Thank You for coming and sharing our special day.
Safe Journey Home
The Geelong Scottish Country Dance Group was started in 1953 by Les Squire for his daughter Eva who was travelling to Frankston by train each week to attend a Scottish country dance group. The music then was a player with Scottish country dance records.
